Description

The Janus Fire Systems® MAS-5 Weatherproof Momentary Abort Station provides pushbutton activated system abort capabilities. Abort for the MAS-5 is achieved with a yellow deadman style mushroom head pushbutton. The MAS-5 has an aluminum enclosure that is rated NEMA 4X for outdoor use. It ships with an operation instruction plate to be mounted above the station.

Operation

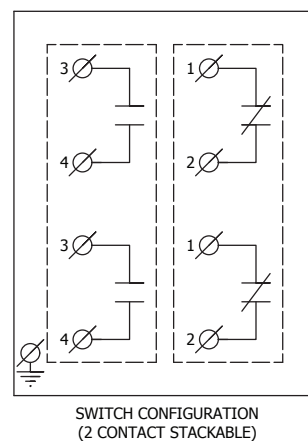

The MAS-5 abort function is initiated by pressing and holding the yellow pushbutton.

Dimensions

Station Depth: Approx. 4 in (101.6 mm)

Schematic
